

## Attachment 2: Interview guide

### INTRODUCTORY QUESTIONS

**1. What is your first impression of the workshop?**

The workshop has three parts that are supposed to build upon each other (preparatory assignment, interactive session and reflection assignment).

**2. What are your thoughts on the general set-up of the workshop?**

- a. *What do you like about the design and why? What do you not like and why? Give examples.*

**3. What are your thoughts on the intended learning outcomes?**

- a. *To what extent the intended outcome fit the target group? Explain why and give an example.*
- b. *To what extent are the intended learning outcome relevant to the target group and/or improving cross-border care? Explain why and give an example.*

### LEARNING PRINCIPLES AND LEARNING OUTCOMES

As you have read in the description, the design of the workshop is based on three principles: authentic learning (learning based on professionally relevant problems), team learning, reflective learning and has particular intended learning outcomes in mind and a specific target group of participants.

**4. Do you think authentic learning (learning based on professionally relevant problems) is integrated well in the design?**

- a. *Explain why (not) and give an example.*
- b. *How does it enhance transfer of learning to practice?*

**5. Do you think team learning is integrated well in the design?**

- a. *Explain why (not) and give an example.*
- b. *How does it enhance team learning in practice?*

**6. Do you think reflective learning is integrated well in the design?**

- a. *Explain why (not) and give an example.*
- b. *How does reflective learning enhance transfer of learning to practice?*

**7. Is there any other principle that might deserve more attention in the design?**

- a. *Which principle and why?*

### IMPROVEMENT STRATEGIES

**8. How do you think we can further improve the workshop?**

**9. What do you think is important for the implementation of this workshop?**

- a. *What are supportive and/or challenging factors?*

**10. What else would you like to bring to the table?**

### WRAP-UP

Wrap-up interview

**“Do you have any further questions about this research?”**

Right to adapt, supplement or delete

**“If you have any adaptations or supplements, or would like us to leave out specific information, please let us know.”**

Follow-up

**“You will not receive a transcript or summary of the interview anymore. We gladly inform you of any further developments in our research.”**
